

SullivanCotter and HighRoads Launch New Survey to Provide Comprehensive Data on Hospital and Health Systems Benefit Plans

Survey to Collect Data on Broad-Based Benefit Programs

November 10, 2011 – Chicago—[Sullivan, Cotter and Associates, Inc.](#), a human resources and executive compensation consulting firm, and [HighRoads](#), the industry leader in employer health care compliance and benefits management, today announced their partnership for the inaugural SullivanCotter/HighRoads Benefits Survey. Built on the HighRoads Hospital Employer Benefits Survey conducted last year, this is the only comprehensive broad-based benefits survey specifically designed for hospitals and health systems. The SullivanCotter/HighRoads Benefit Survey will provide access to high-quality data and benchmarking information for broad-based employee benefit plans in hospitals and health systems.

The 2012 SullivanCotter/HighRoads Benefits Survey is now open for participation and the deadline for data submission is December 9, 2011. To learn more about the survey click [here](#). Participating organizations will receive a complimentary copy of this year's survey report. Some of the leading health care systems already committed to participating in the survey include: Advocate Health Care, Ascension Health, Catholic Health Initiatives, HCA, St. Joseph's Health System (CA) and Tenet Healthcare.

For more information on how organizations can contribute to the survey, please contact Survey Project Coordinator, Jill St. Aubin via phone at 612/294-3638 or by email at jillstaubin@sullivancotter.com, or visit www.sullivancotter.com/benefits-survey. For technical questions about the content of the survey, email SullivanCotter Senior Consultant, Mike Gaal, or HighRoads Senior Director, Maureen Cotter at Surveys@highroads.com

About SullivanCotter

Sullivan, Cotter and Associates, Inc. specializes in the assessment and development of total compensation and reward programs for physicians and executives in the health care industry. Since 1992, SullivanCotter has worked closely with health care organization executives, boards and compensation committees to devise innovative compensation solutions that attract and retain leadership talent while satisfying not-for-profit missions and regulatory requirements. A leader in independent consulting, benchmarking, trends and analyses, SullivanCotter has also developed the most widely recognized [physician and executive compensation surveys](#) in the United States.
